Go & Make Disciples

Matthew 28:19

Victory Life Church

Go and make disciples of all nations...

Matthew 28:19

“

This church is home. I've never felt so connected to God before. Thank you Victory Life Church for being a safe place for the hurting. I'm so grateful to God everyday for bringing this place into my life. Had I not had Victory Life Church and Jesus I would not have made it mentally through the fire I experienced in February 2022.

- *Suzy M*

”

go!(269)

It is responding to God's command to go and make disciples. Our mission is to bring the life-giving power of Jesus Christ to the (269) area code region.

OUR BOLDEST INITIATIVE IN OUR CHURCH'S HISTORY

This June, I watched four buses loaded with 204 kids pull out for camp. I was overwhelmed thinking about how these students' lives would be impacted in the next five days because God had a divine appointment waiting for them at camp. Last month we received 12 ladies from the Journey and 12 men from the Return. The reunion with family and the look on their face told the story. They all had an encounter with God, and their lives were forever changed. Students and adults are discovering healing, freedom, and identity in Christ. In recent years we have overcome daunting obstacles of multiple services, three building campaigns, a road closed, the bridge out, a world pandemic, and quarantines. Yet, through it all, we have continued to preach the gospel, launched the Hope House, paid down debt, and continue to see the church grow and lives change.

WHAT'S NEXT?

God's Word says, "Faithful with little, faithful with much." Lives are being transformed, and more than ever, students and families are looking for hope. As a result, we are launching the boldest initiative in our church's history by opening two campuses! Last fall, we received a call from a church that wanted to give us their building and six acres for free. Unfortunately, they had dwindled to 13 people and had to close their doors. Victory Life paid off the pastor's home mortgage to thank him for his years of faithful service to the Kingdom, which allowed him to retire properly. The church is located 35 minutes south of our main campus and is centrally located to Vicksburg, Athens, Union City, Mendon, Fulton, Wakeshma, Scotts, Burr Oak, and Sherwood. Renovation for this project is estimated to be \$2.5 million and will create a campus with the culture and ability to minister as the central campus. Our hearts are drawn to this opportunity because there are no ministries like Victory Life Church in the area that reaches students and families. Over 65% of these students are leaving the church, while at the same time, 85% of the students at Victory Life continue to serve, grow, and stay connected. The opportunity and need are extraordinary. go!(269) will also allow us to invest and complete projects in our children's ministry here at the main campus. Today, parents are in desperate need of help in raising the next generation. Students and families are dealing with issues and pressures unlike any other time in history. Their identity is under attack constantly as they are being groomed to new cultural norms.

We have an opportunity to be a part of something significant and supernatural- To see our community truly transformed and lives forever changed. Victory Life Church is a special place. Now is our time to let His light shine, to bring hope, to reach more people in more communities, and to follow our Savior's command to "Go and make disciples." That is what "go!269" is all about.

Aileen and I and the staff are asking you to join us as we seek, fast, pray and surrender, asking Father, "What is my part in the vision you have for our community? ... for go!(269)

James Sunnock

**Pastor James Sunnock
Senior Pastor**

We're a small church with
a lot of people stories.

“

I was saved when I was four and God has spoken to me within the past year that the next thing in my relationship with God is to get baptized. I have been through some tough times the last couple years and God has been with me the whole time. I am choosing today to follow God's plan for the rest of my life.

for the next
generation.**

85%

**of our students continue to attend church
after graduating highschool.**

Which is a 50% increase compared to the average church in America

“When I first got here, I was depressed a little bit... Now, while I'm standing here, I'm much more happy knowing I have friends here and all around camp. I now know my identity is as a son of God.

- Josh D

”

When students go off to college, Pastor Justin helps each one find a biblically grounded church near their school and connects them with a pastor.

Since 2020

Kingdom Mindset

Bringing the gospel around the world

\$937,099

Given to local and world missions in the last two years.

4 Churches Launched

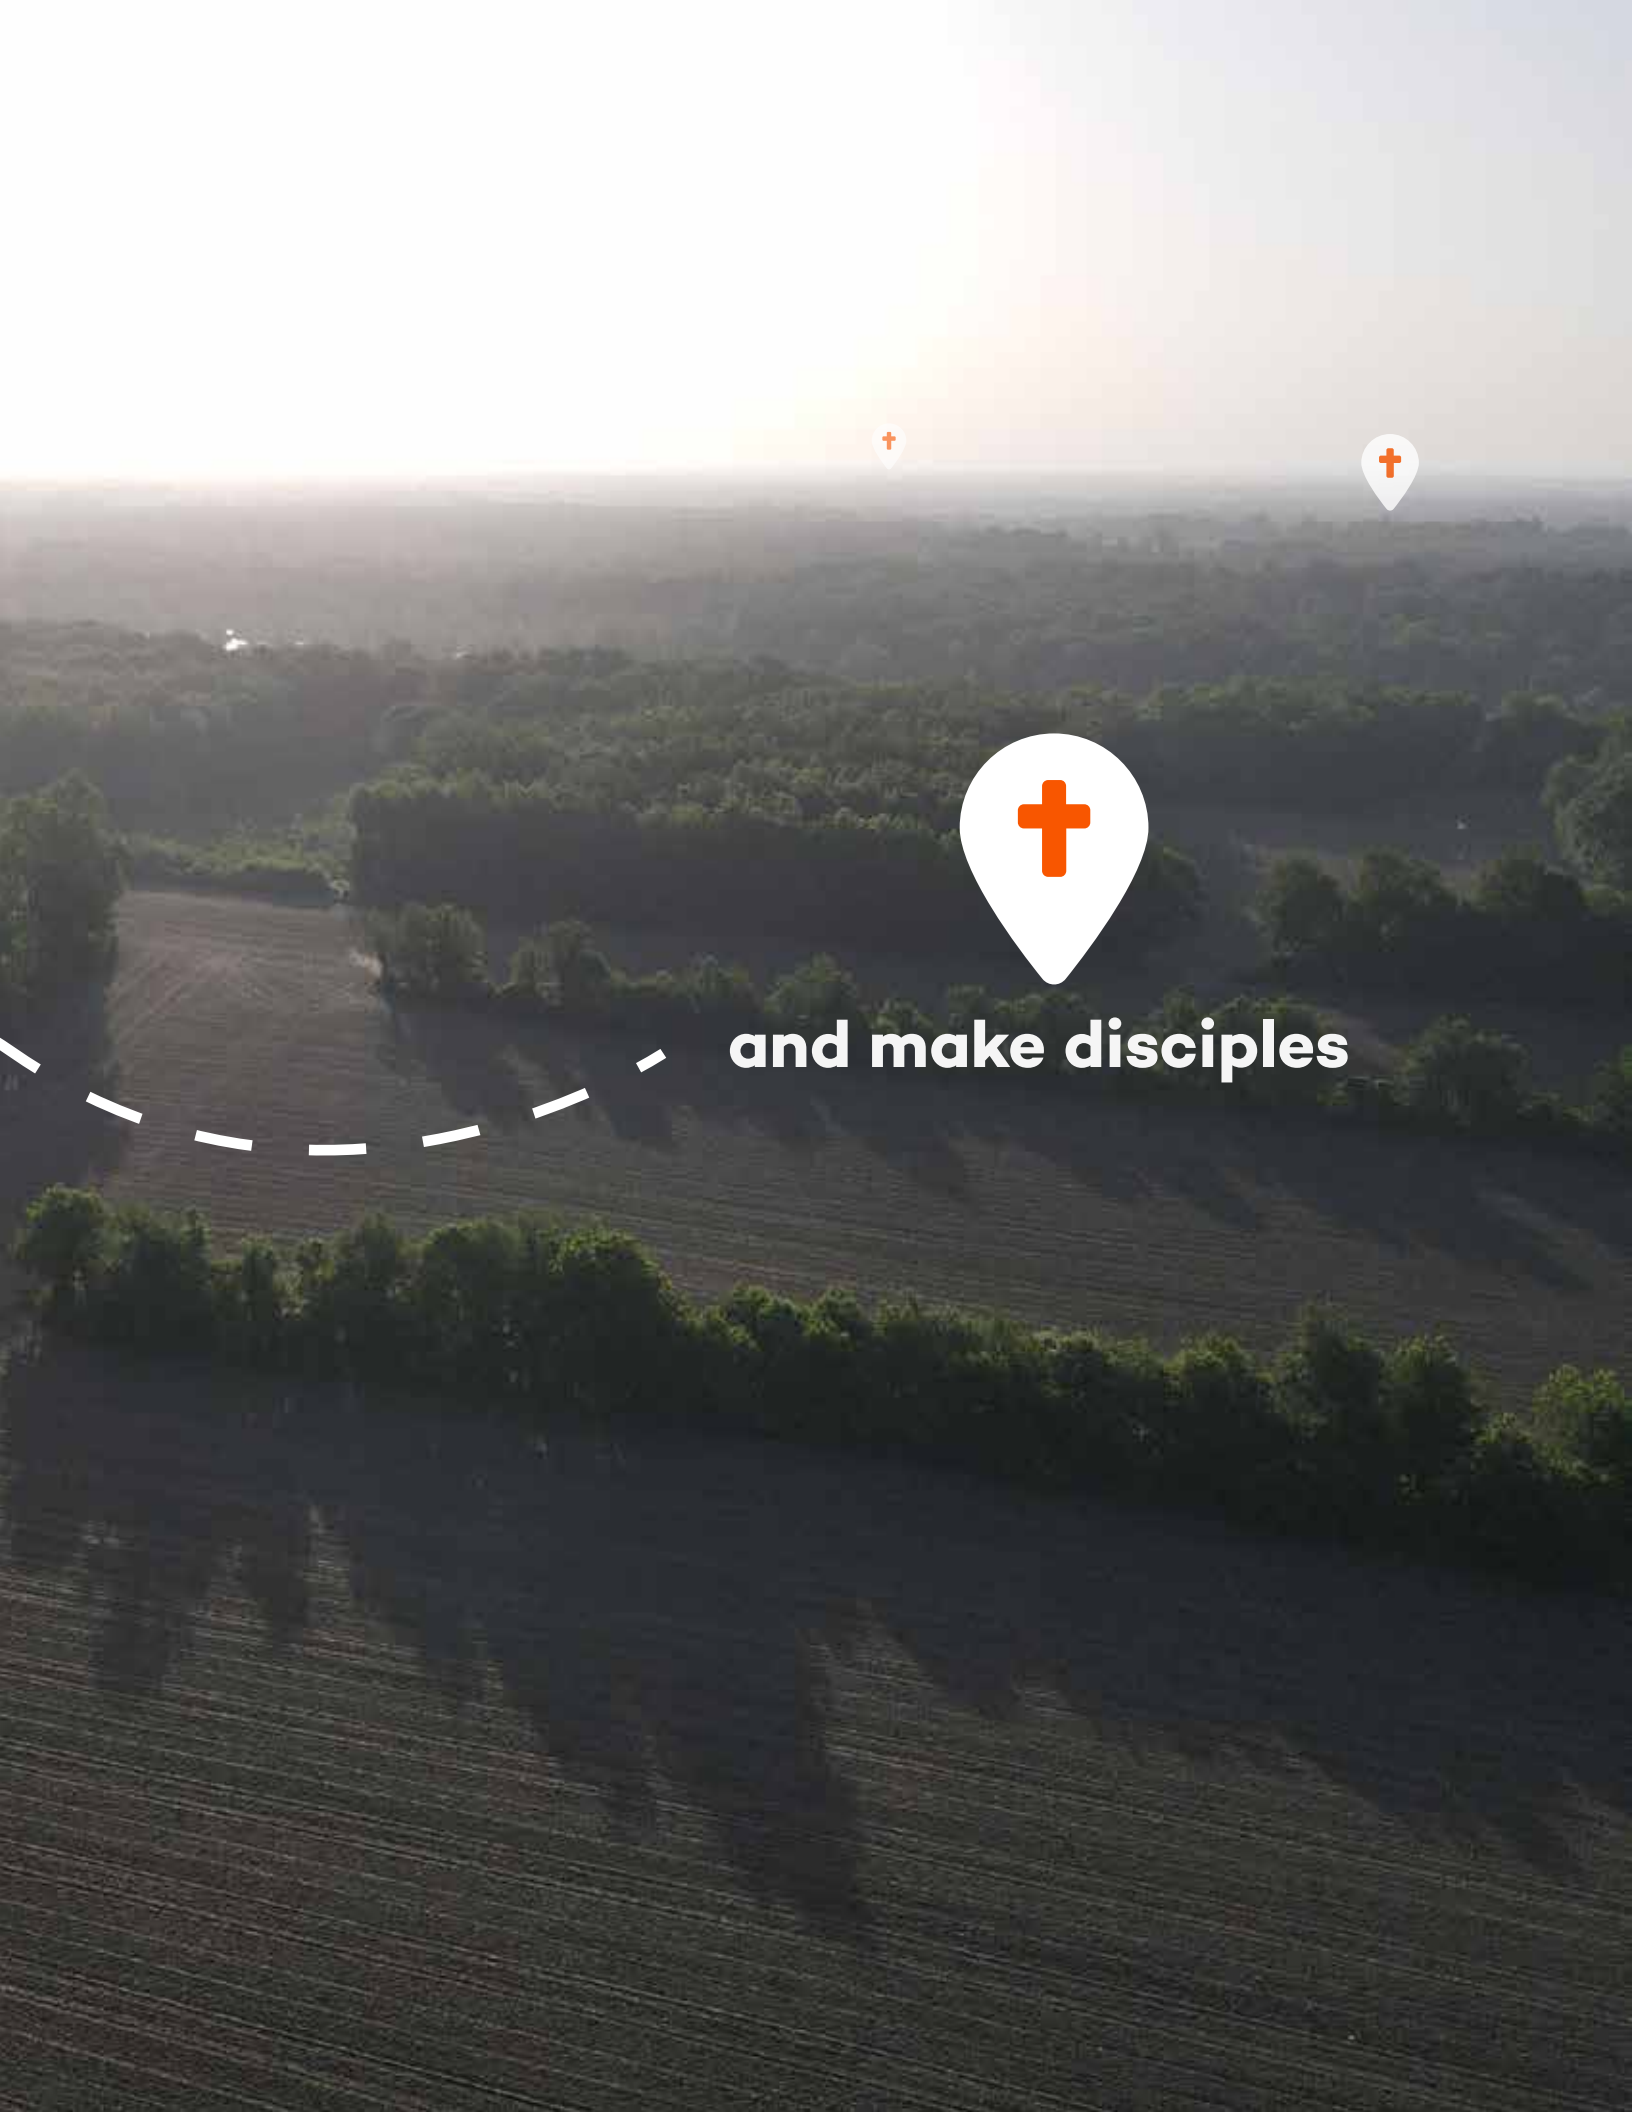

We helped four churches begin their ministry.
Florida, California, Michigan, and Arizona.

Now is the time to go - - - - -

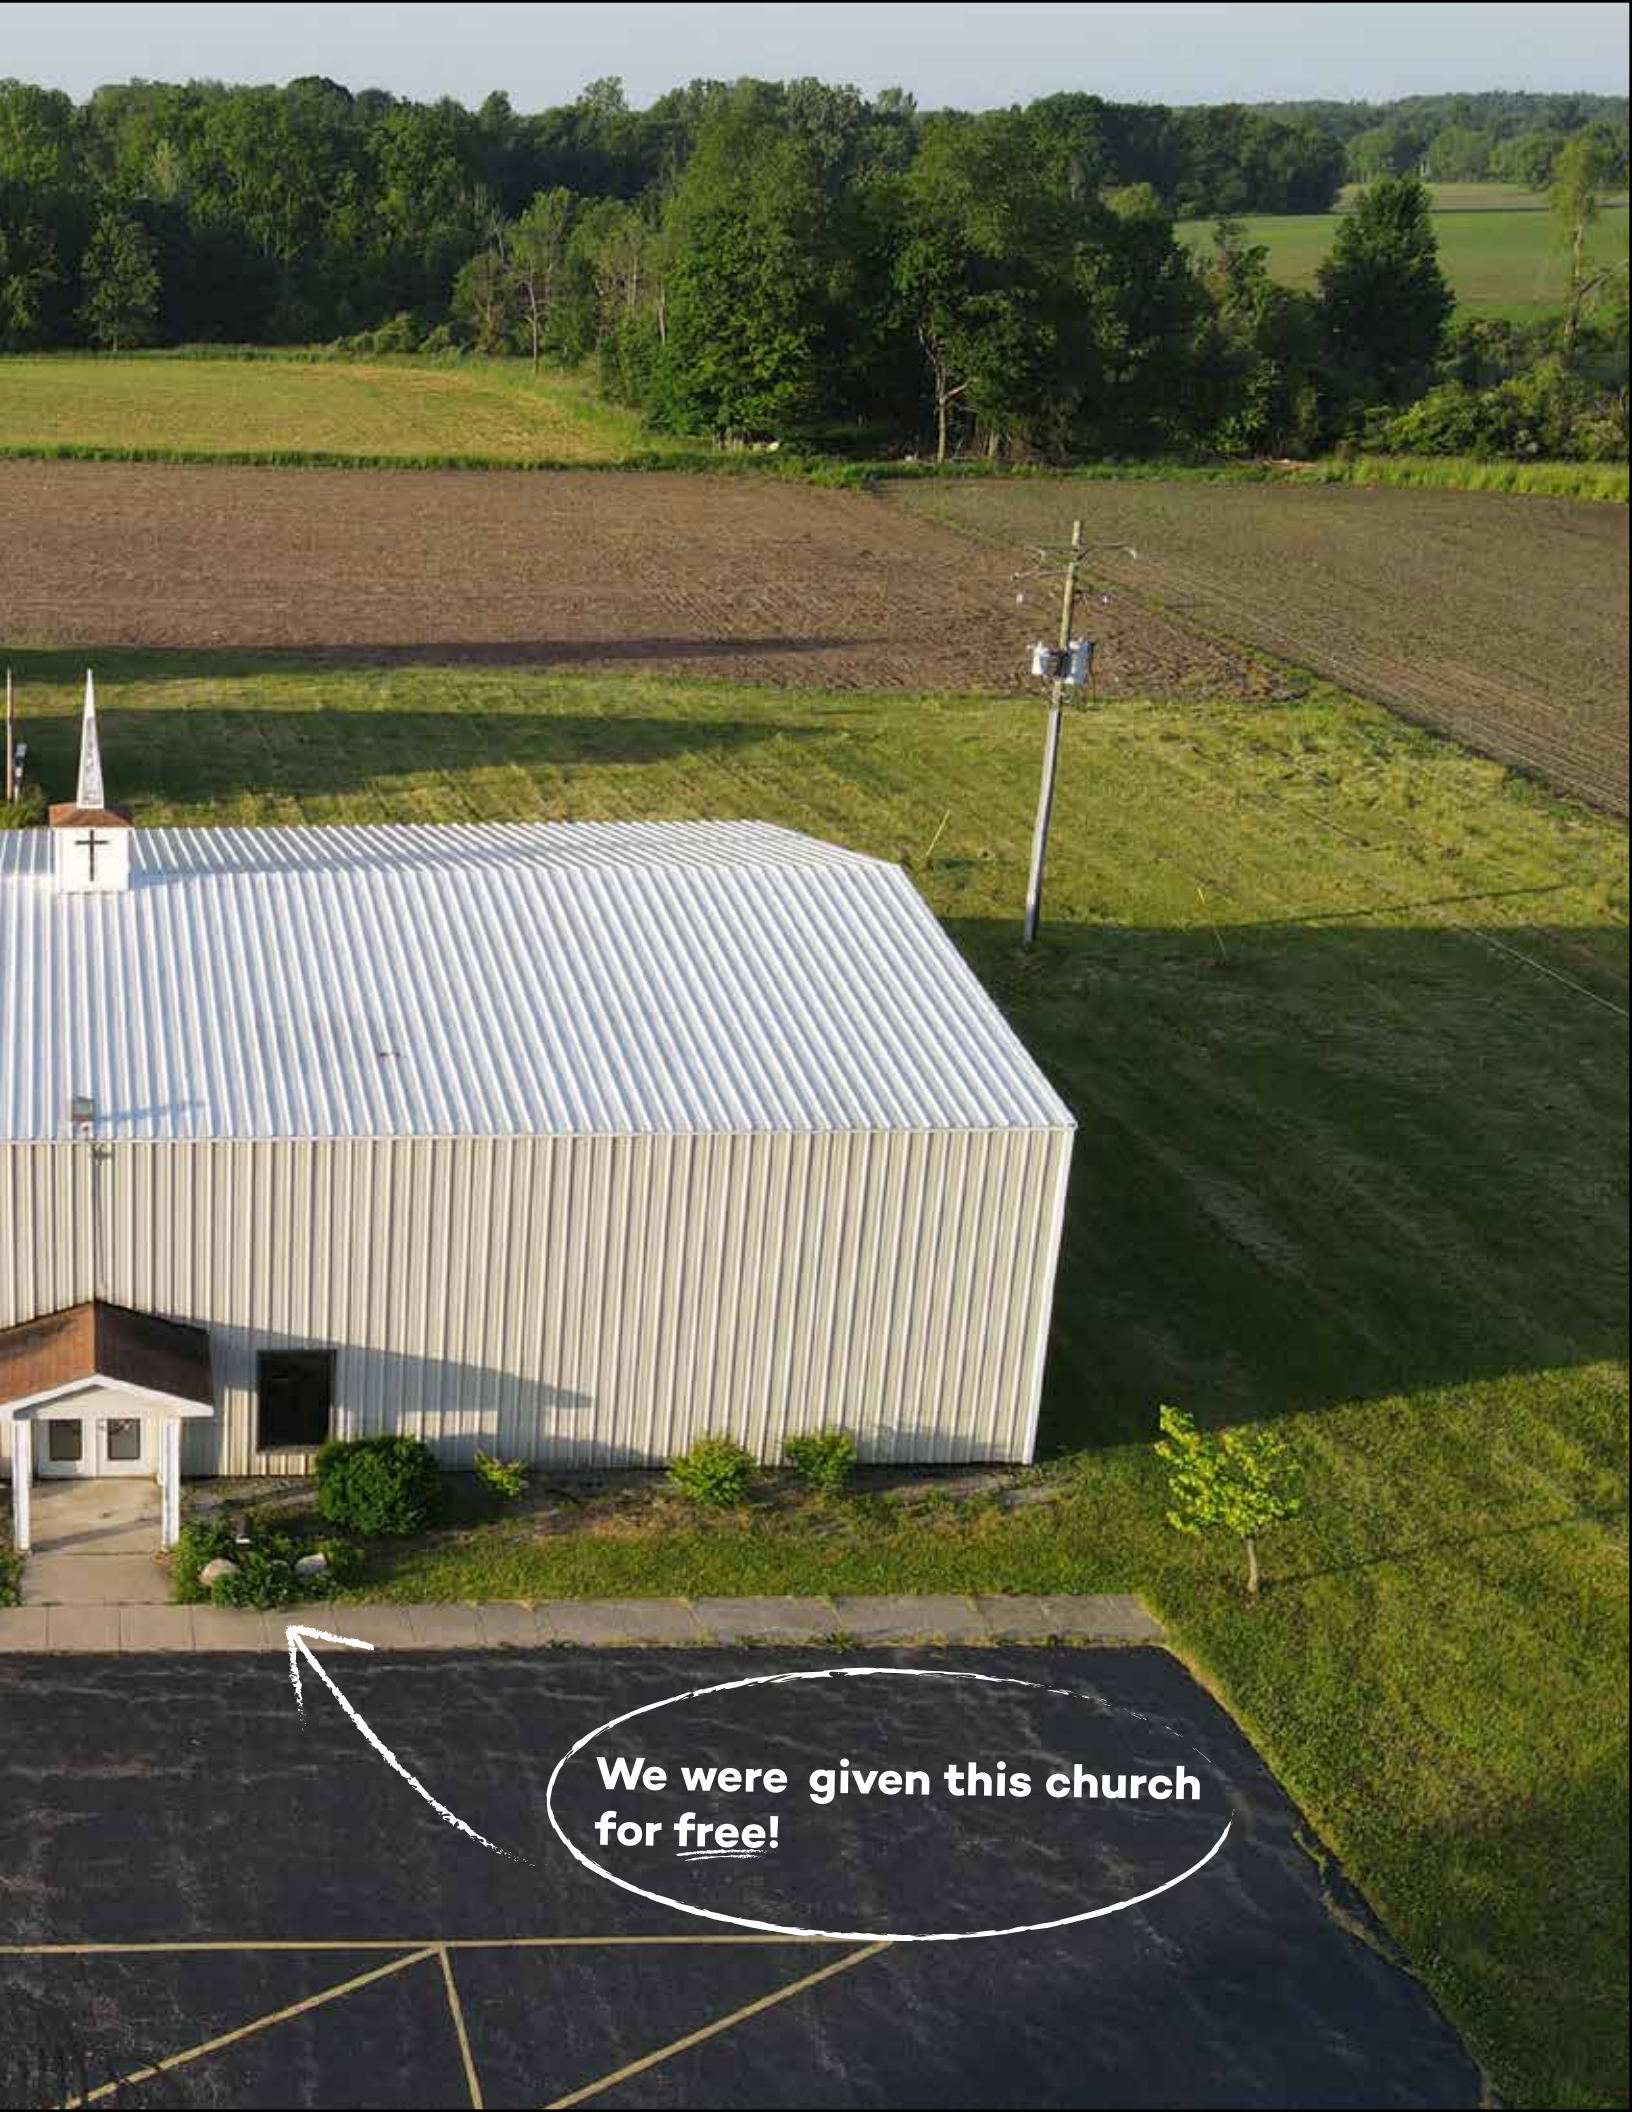

and make disciples

Give families a place to worship

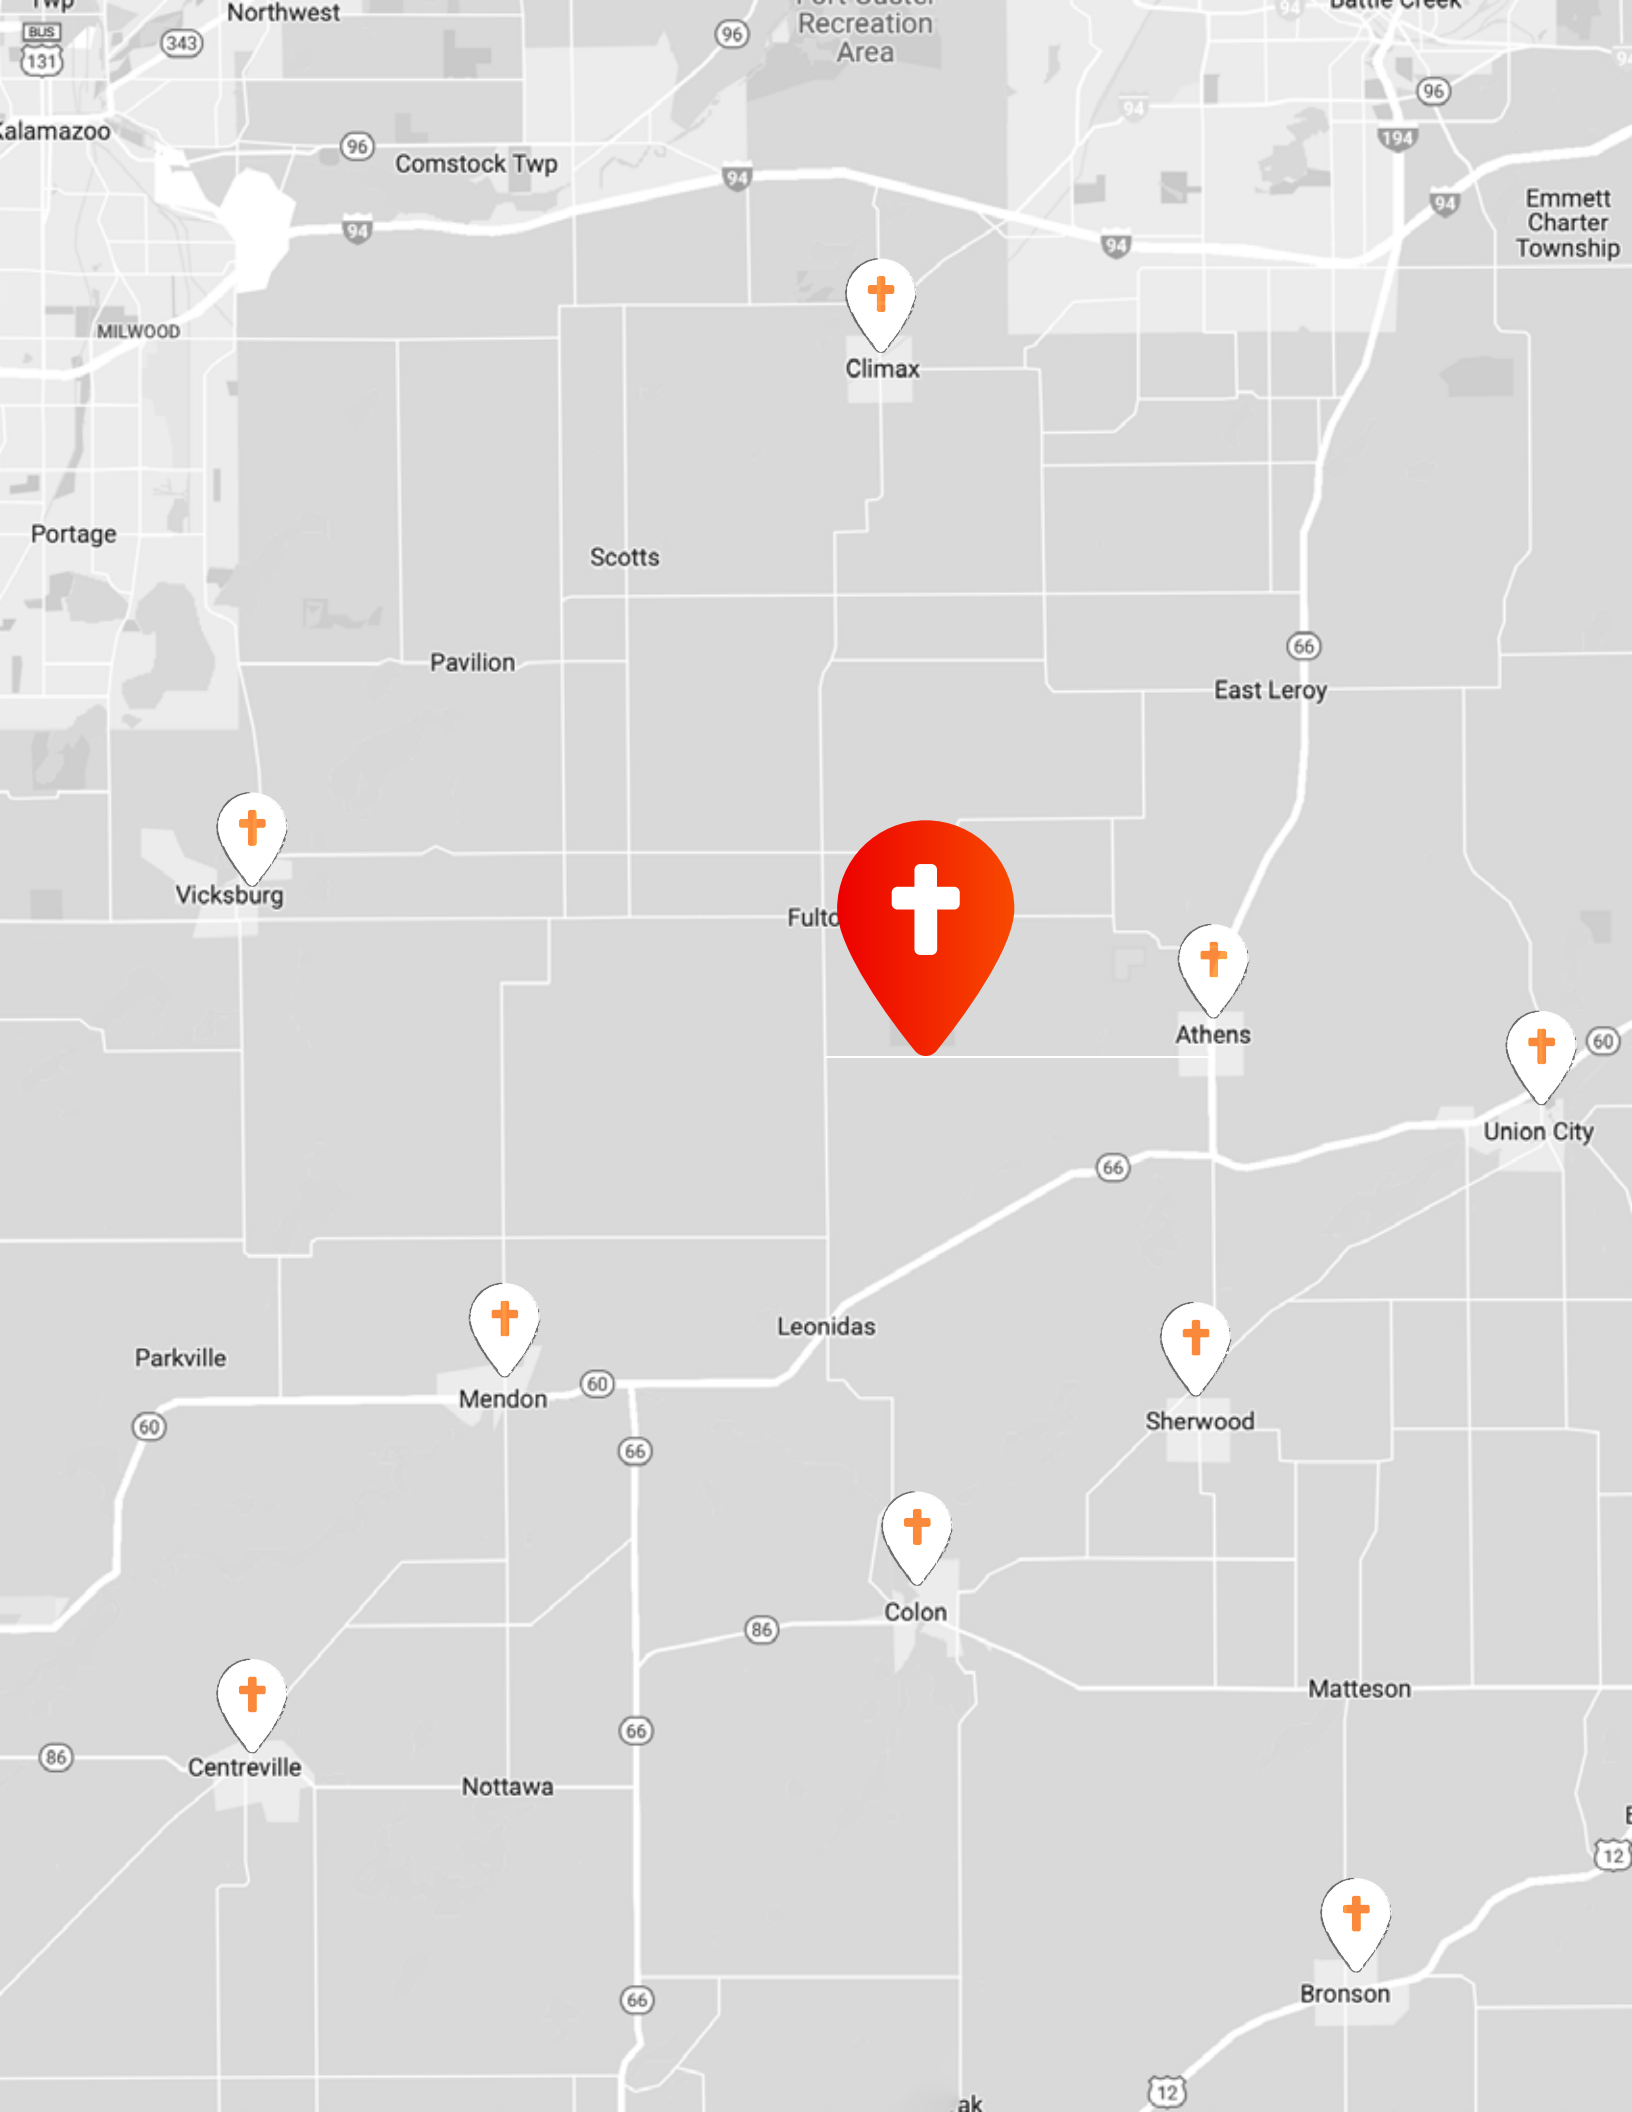

We can't let a community lose its place of worship. The next generation needs church more than ever.

Having the ability to honor the senior pastor who has faithfully served God has been a blessing. We are excited to build upon the ministry that was started on this land and to bring hope to the next generation of this community.

We were given this church
for free!

Before Renovation

Victory Life Church

After Renovation

Before Renovation

Everything you love about Victory Life, just in a smaller building.

Come to the South Campus and experience everything you love about Victory Life Church in a smaller space. Our goal when working with the architect was to keep the warm, welcoming feel that you know and love.

From coffee to worship, the South Campus isn't a lesser campus, it's just a smaller one. We will have live worship, Victory Kids...even GLOW!, as well as, Student Ministries and much more!
